Motion

A motion to Authorize an amendment to the Memorandum of Understanding between Sustainable Norcross Inc. and the City for the Green Roof project, funded by a grant from Sustainable Norcross, Inc., for the relocation of the Green Roof project to Pinnacle Park, and adding naming honors and dedication/ribbon cutting ceremonies, and authorize the Mayor to execute.

Councilmember: Matt Myers • Councilmember: Josh Bare • City Manager: Eric Johnson • City Clerk: Monique Philip

AGENDA REPORT

To: Mayor and Council

From: Jalia Killings, Planner – Sustainability/GIS

Meeting Date: February 3, 2025 – Regular Council Meeting (RCM)

Item No.: 25-7231

Title: Amendment to MOU between Sustainable Norcross Inc. and the City

CC: Eric Johnson, City Manager

Recommendation

Authorize the relocation of the Green Roof project funded by a grant from Sustainable Norcross, Inc. to Pinnacle Park and authorize the Mayor to execute an amendment to the Memorandum of Understanding between Sustainable Norcross Inc. and the City.

Background

In December 2023, the City accepted funds from Sustainable Norcross Inc. for the purpose of developing a green roof on city owned property. The original concept envisioned the roof to be constructed within the Johnson Dean Forest Preserve. City staff now recommends that the project be constructed within Pinnacle Park as a part of a designated informational kiosk. The changes also require an amendment to the Memorandum of Understanding between the parties. The amendment has been approved by the City Attorney's office.

If approved by Council, City staff would design and construct a kiosk similar in appearance to the kiosks shown in this agenda item. The information kiosk may contain information concerning the benefits of green roofs or other environmental initiatives within the City. Additionally, the kiosk would include a dedication to Jim and Martha Scarborough.

The City staff plans to schedule a ribbon cutting or dedication ceremony based on the schedules and availability of the interested parties.

Financial Impact

The City believes that the Kiosk can be designed, constructed, and materials installed with funds from Sustainable Norcross Inc.

Consistent with Comprehensive Plan?

Goal 6 - Furthers the City's Tradition of Strong Leadership and High Level of Quality Services.

Attachments

1. Amended MOU
2. Green roof Kiosk Examples

Next Steps

Staff is currently securing quotes for the project's construction. After approval and signature by the Mayor, the City will finalize the green roof's design, with construction following shortly afterward. A dedication ceremony may be held as early as this Spring. The project is expected to be completed by early Summer, 2025.

AMENDMENT TO MEMORANDUM OF UNDERSTANDING

This Agreement serves as an amendment to the Memorandum of Understanding (“**MOU**”) between Sustainable Norcross, Inc. (“**Grantor**”) and the City of Norcross, Georgia (“**Grantee**”), the same being fully executed by the Parties on or about December 8, 2023. The enumerated sections in the MOU referenced below are revised as provided herein. All other provisions of the MOU remain enforceable and binding between the parties.

Section 1 of the MOU shall be stricken in its entirety and replaced with the following provisions:

Section 1. Purpose and Scope of Responsibility.

The Parties agree that the funds described in the MOU shall be used for the installation of a green roof at Pinnacle Park (the “**Park**”), a public park located within the corporate boundaries of the City of Norcross, Georgia. Such installation shall be completed on or before June 30, 2025. The green roof shall be installed as a part of an information kiosk and green roof demonstration to be constructed within the Park in a location to be determined by the Grantee. Grantee shall have all design, installation, and development obligations; provided, however, that Grantee shall meet the guidelines of the Atlanta Regional Commission Green Communities program for the city to achieve credit for implementing the Demonstration Green Roof Initiative. Grantor waives and releases any design and appearance rights.

Residual funds from the monetary gift may be used by Grantee for maintenance of the green roof and for the education of city staff about proper care for plants in the green roof system.

The installed kiosk shall be named in the memory of Jim Scarborough and in honor of Martha Scarborough and shall include a plaque, inscription, or other insignia prominently indicating such dedication. The City shall endeavor to hold a dedication and/or ribbon cutting ceremony in honor of the construction and this dedication.

Adopt a resolution to add the PTSD program to the GIRMA Fund.

Background:

With the recent passage of House Bill 451, all first responders serving Georgia public entities, whether employed or volunteering, will now have access to the PTSD program effective January 1, 2025. This includes sworn officers and communications officers, who are automatically enrolled and eligible to receive diagnosis and long-term disability benefits if necessary. Additionally, we are required to submit eligibility data for these benefits twice a year, in June and December.

Financial Impact:

This program consists of two key components: the Lump Sum PTSD Diagnosis Benefit and the PTSD Long-Term Disability Benefit. The initial installment is \$4,144.00, with an estimated annual cost of \$8,288.00, based on the current count of our first responders.

APPENDIX A

**Georgia Interlocal Risk Management Agency ("GIRMA") Fund C Election Form
for Existing GIRMA Members**

As stated in Section 6.1 of the Intergovernmental Contract, a GIRMA member must participate in at least one Fund established by the GIRMA Board of Trustees. The Intergovernmental Contract and GIRMA Bylaws apply to all GIRMA members, regardless of the Fund or Funds in which they participate. Terms and conditions specific to a Fund are set forth in the Coverage Description for the Fund.

This election form is for use by current GIRMA Members who wish to join GIRMA Fund C and thereby offer PTSD Benefits to eligible First Responders.

Fund C Application Information: GIRMA established Fund C on September 4, 2024. Fund C will provide fully- insured lump sum benefits and disability benefits for first responders entitled to such benefits under the Ashley Wilson Act. A coverage description for Fund C has been filed with the Georgia Department of Insurance and will be made available to Fund C members after approval of membership in Fund C by Georgia Municipal Association, Inc., the Program Administrator for GIRMA, and the insurance carrier.

To join Fund C, the governing body of the GIRMA Member must adopt a Resolution to Add Membership in a GIRMA Fund and the individual authorized to serve as the Public Entity's primary contact for Fund participation must complete and sign the First Responder PTSD Application and Participation Agreement. Membership in Fund C is effective when the Application is approved by the Program Administrator and the carrier.

**GEORGIA INTERLOCAL RISK MANAGEMENT (GIRMA)
FIRST RESPONDER PTSD APPLICATION AND PARTICIPATION AGREEMENT**

Employers eligible to participate in GIRMA (hereinafter a “Participating Employer” or “Employer”) shall complete this Application and Participation Agreement in order to purchase First Responder PTSD coverage fully insured by MetLife under the GIRMA Fund C Master Policy for a Lump Sum PTSD Diagnosis Benefit, a PTSD Disability (Income Replacement) Benefit, or a Combined Lump Sum PTSD Diagnosis Benefit and PTSD Disability (Income Replacement) Benefit. Once approved by GIRMA’s Program Administrator, the Participating Employer will receive a one-page Summary of Benefits identifying the purchased coverage(s) (the “First Responder PTSD Policy”) and a link to the Policy Certificate for the purchased coverage(s), so it may make these available to individuals performing service for them as an employed or volunteer “First Responder” as defined below (“First Responders”).

Who Does What?

- GIRMA is the Policyholder of a First Responder PTSD Policy insured by MetLife, which provides a Lump Sum Benefit and a Disability (Income Replacement) Benefit. These coverages together are designed to meet the requirements of the Ashley Wilson Act (the “Act”), effective January 1, 2025.
- Georgia Municipal Association, Inc., (“GMA”) is the Program Administrator for GIRMA. GMA uses information from the First Responder census data provided by the Participating Employer to bill for the premiums due under the First Responder PTSD Policy and maintains (either directly or through the broker for the First Responder PTSD Policy) Participating Employers’ Application and Participation Agreements.
- Participating Employers are responsible for providing census data to GMA’s broker that identifies all First Responders (as defined below) performing first responder services for them, classifying the First Responders by statutory definition and as employed or volunteer, and identifying those First Responders who are First Responders for another Public Entity.
- Participating Employers are responsible for submitting complete and accurate census data and paying premiums to GMA, communicating with First Responders about the coverages the Employer provides, providing the Summary of Benefits and link to the applicable Certificate to First Responders, and providing all requested information and documentation requested by GMA’s broker to ensure the census is current.
- Participating Employers are responsible for designating an authorized member of human resources staff to receive inquiries from MetLife related to work requirements or work status for disability claims and provide all information requested by MetLife for that purpose.
- To comply with the confidentiality provisions of the Act, GMA and its broker will not inform Participating Employers whether a First Responder has submitted a claim for benefits or received any such benefits.
- Participating Employers are responsible for ensuring that any information in their possession related to claims, and any other information that would reasonably identify an individual as having been diagnosed with PTSD, is used only in accordance with applicable laws and is kept confidential in the same way as mental health information related to an employer sponsored major medical plan or employee assistance program.
- Participating Employers are prohibited by law from taking any employment action solely as a result of a First Responder’s diagnosis, claims, or benefits.
- MetLife evaluates claims and pays approved claims under the First Responder PTSD Policy. All claims for benefits must be submitted to MetLife.
- First Responders do not need to inform the Participating Employer that they are making a claim.
- Neither GIRMA nor GMA have any role in claim determination or payment.

Definition of First Responder. A First Responder for the Participating Employer is an individual who meets one or more of the following definitions as a result of services he or she performs for the Participating Employer as an employee or volunteer:

- (A) 'Communications officer' as defined in Code Section 37-12-1;
- (B) 'Correctional officer' as defined in Code Section 45-1-8;
- (C) 'Emergency medical professional' as defined in Code Section 16-10-24.2;
- (D) 'Emergency medical technician' as defined in Code Section 16-10-24.2;
- (E) 'Firefighter' as defined in Code Section 25-4-2;
- (F) 'Highway emergency response operator' as defined in Code Section 45-1-8;
- (G) 'Jail officer' as defined in Code Section 45-1-8;
- (H) 'Juvenile correctional officer' as defined in Code Section 45-1-8;
- (I) 'Peace officer' as defined in Code Section 35-8-2;
- (J) 'Probation officer' as defined in Code Section 45-1-8; and
- (K) Law enforcement officer with the Department of Natural Resources.

Employer Obligations:

- Employer shall not require any kind of contribution from First Responders for the coverage(s) provided under the First Responder PTSD Policy.
- Employer is solely responsible for identifying all First Responders (as defined above). Any questions about First Responder status should be resolved by contacting legal counsel. Participating Employers that are members of GIRMA's Property and Liability Fund may call the GIRMA HelpLine at 800-721-1998 for free legal advice about whether an individual meets the statutory definition.
- Employer is solely responsible for keeping an accurate list of all First Responders, and providing correct and complete information to GMA's broker.
- Employer shall submit initial First Responder census data to the GMA broker in the form requested, and must update this census data as requested in order to ensure that all First Responders are properly identified and classified.
- The Employer's cost for coverage under the First Responder PTSD Policy will be based on the most recent census data at the time of billing.
- Employer shall provide the Summary of Benefits and a link to the applicable Certificate to all First Responders at no charge, and shall provide a copy of the applicable Policy to First Responders upon request.
- If the Policy is terminated for any reason, Employer shall provide notification of termination to all First Responders.
- Whenever requested to do so by MetLife or GMA, Employer shall provide MetLife or GMA the information requested.

Benefits Exempt from Income Tax:

- MetLife has determined that benefits it will pay under the policy are not subject to state or federal income taxation. Accordingly, MetLife will not report benefits to the IRS or withhold any amounts from benefit payments.
- MetLife will advise benefit recipients that benefits are not subject to federal or state income tax, so MetLife will not withhold taxes or provide a 1099 or W-2 or report benefit payments to the IRS. MetLife will remind benefit recipients that the benefits may offset other benefits received by the recipient or have other tax consequences and encourage them to consult their tax advisor for guidance.
- MetLife will provide a summary of benefits to the benefits recipient upon request.
- Legal counsel to GIRMA has advised GIRMA of the following:

- The Ashley Wilson Act provides that benefits payable pursuant to the Ashley Wilson Act are not subject to Georgia income tax.
- Benefits payable under the policy to First Responders (as defined in the statute) are not subject to federal income tax because the Ashley Wilson Act is a statute in the nature of a workers' compensation act under Treas. Reg. Section 1.104-1(b) and the MetLife policy bases benefits solely on diagnosis of work-related injuries or sickness as described in the Act.
- Participating Employers have no tax obligations arising from payment of benefits to their First Responders.
- A copy of the opinion letter is available upon request.

Information Privacy and Security:

- See the attached PTSD Privacy Notice, which will be posted on the website where policy information is published. This Notice explains the privacy requirements of the Ashley Wilson Act and how individually identifiable information is used and shared.
- As a critical illness and disability policy, the PTSD Program is not subject to the federal information privacy and security law that applies to group health plans (HIPAA). However, GMA, the GMA broker, and MetLife protect individually identifiable information and use and share it only in accordance with the privacy provisions of the Ashley Wilson Act and any other applicable privacy laws.
- Participating Employers will provide census data to GMA's broker using a secure portal established by the broker.

Desired Coverage (See Attached Proposal for Estimated Annual Premiums):

Participating Employer is applying for and agreeing to purchase the First Responder PTSD Combined Lump Sum Diagnosis Benefit and PTSD Disability (Income Replacement) Benefit unless the following option is checked.

☐ First Responder Lump Sum PTSD Diagnosis Benefit Only* (*Alone, this coverage does NOT meet the requirements of the Ashley Wilson Act. Leave BLANK if you want the full coverage.*)

The coverage elected above automatically renews at each anniversary of the effective date, based on then current premiums established by the Program Administrator. Coverage may be terminated in accordance with the GIRMA Bylaws regarding termination of membership in a GIRMA Fund.

On behalf of City of Norcross [Name of Participating Employer], Gwinnett
County, Georgia, I submit this Application and Participation Agreement and agree to its terms.

AGENDA REPORT

To: Mayor and Council

From: Len Housley, Director Public Works

Meeting Date: February 3, 2025 – Regular Meeting (RCM)

Item No.: 25-7233

Title: Additional Appropriation for South Peachtree Parking Lot

CC: Eric Johnson, City Manager

Recommendation

Approve an appropriation for the additional amount of \$360,517.94 for the construction of the South Peachtree Parking Lot.

Background

Originally \$645,000.00 was appropriated from 2017 SPLOST. Later, at the 10 July 2023 Session, Tony Harris, City Engineer, presented and requested an additional \$300,000.00 from 2023 SPLOST to get funding to \$945,000.00 to cover the project. From Agenda report: "Financial Impact: The project budget is currently \$645,000.00 from the 2017 SPLOST program. However, the winning bid of \$791,000.00 plus design and construction management fees elevate the projected cost to \$900,000. A total project budget of \$945,000.00, including a 5% contingency, is recommended to cover potential change orders or cost overruns." During this presentation only the RailPros Admin fees were calculated in.

At the September 2023 Session, Matt Zaki, Dir Public Works, briefed the License Agreement between the Railroad and the City of Norcross for the Project. During this presentation he provided the financial impact for License and Risk Fees only. Per conversation with RailPros, a cost calculator was provided to estimate costs for Flaggers and Construction Monitors.

Original Bid from SOL Construction was \$791,591.50. The actual cost was \$853,942.97. A large portion of this was in change order #1 because of the bollard lights not being included in the original bid (\$22,494). Another \$13,327 was for additional mobilization required to haul pavers from the temporary storage yard to the construction site. We had another change order for \$29,879 due to discrepancies on the existing survey and the true field conditions that required modifications to the storm layout. Pipe plans and materials changed significantly. A few other miscellaneous additions and deductions get the total to the \$62,351.47 increase.

P&E Costs for Keck & Wood. Original Contract on 24 Feb 2023 was \$29,055.00 for Concept and Final Plans, Site Lighting, RR Coordination, and Utility Coordination. These costs increased due to multiple change orders requested by the city and extensive back and forth coordination and revision requirements with the RR. Also, the city used K&W for Bidding and Construction Administration on an hourly basis prior to and after contract award. These costs were not in the base agreement.

Financial Impact

- \$360,517.94 from Transportation SPLOST

Title: Authorization to Sign Tax Determination Letter Regarding Employee Retirement Plan

CC: Eric Johnson, City Manager

Recommendation

Authorize the Mayor to execute documents necessary to submit a determination letter to the Internal Revenue Service and to hire counsel from Georgia Municipal Employees Benefit System to monitor tax status.

Background

Norcross's employee benefit plan is a non-standard plan that requires periodic resubmission to the Internal Revenue Service to ensure the plan's continued tax status. The plan is non-standard in that it contains certain provisions regarding employee contributions that are unique from the pre-authorized plan created by GMEBS. For clarity, however, this modification has existed since 2011 and this agenda item is not seeking any change to the employee contribution portion of the plan (nor any other provision of the plan). As the employee benefit plan was restated last year, a new tax determination letter must be submitted. The letter and associated documents are enclosed with this agenda item.

Norcross's plan is administered by the Georgia Municipal Employees Benefit System ("GMEBS") created which is a division of the Georgia Municipal Association. Ensuring the continued tax status of the plan is among the plan administrator's responsibilities. As such, all costs associated with the tax submission will be paid by GMEBS.

Financial Impact

None. The costs with the determination letter will be paid for by GMEBS.

**Re: GMEBS Defined Benefit Retirement Plan; Filing the City's Addendum
with the IRS – DRAFT FILING FOR REVIEW AND SIGNATURE**

Dear Ms. Washington:

This letter concerns the city of Norcross's Georgia Municipal Employees Benefit System ("GMEBS") Defined Benefit Retirement Plan ("Plan"), which was most recently restated effective October 7, 2024. As you know, the General Addendum to the city's restated Adoption Agreement ("Addendum") includes provisions that are not part of the standard (pre-approved) GMEBS Basic Plan Document, Adoption Agreement, and Addendum. Because the Addendum contains non-standard Plan provisions, the city cannot rely on the Internal Revenue Service ("IRS") August 31, 2023, approval letter for the GMEBS Plan.

Instead, the city must obtain a separate determination letter from the IRS addressing the Addendum. The IRS requires retirement plans to file for a separate determination letter by March 31, 2025. We are preparing a determination letter application to be filed with the IRS with respect to the city's Plan for this purpose.

Getting IRS Approval for the Addendum to the City's Adoption Agreement

GMEBS has arranged with Ice Miller LLP, the law firm that has handled the past GMEBS restatement filings with the IRS, to represent the city in seeking an IRS determination letter to cover items included in the Addendum. Consistent with the process used in prior IRS determination letter filings, GMEBS will cover the cost of IRS fees and Ice Miller's fees associated with the Addendum filing.

What Does the City Need to Do to File for an IRS Letter?

- Review the attached draft filing packet and advise GMEBS of any corrections that need to be made;
- Print, sign and return the attached Form 2848, Power of Attorney form; and
- Print, sign and return the attach penalties of perjury statement.

This attached filing packet contains a complete draft filing for the Plan for your review. Please use the bookmark tabs to navigate among the sections of the draft filing listed below.

The filing packet includes the following two documents that require signature by an authorized representative of the city:

(1) Form 2848 (Power of Attorney and Declaration of Representative)

This form will enable Ice Miller to file the submission on the city's behalf, as well as deal directly with the IRS regarding the submission. **Please note, we have included a separate attachment with just Form 2848 for the city to print, sign, and return to Ice Miller. Please have an authorized officer of the city sign and date page 2 of the Form 2848 for the Plan and return to Ice Miller via email or U.S. mail.**

(2) Penalties of perjury statement

Because Ice Miller will sign the submission on pay.gov, we are required to include a penalties of perjury statement signed by an authorized representative of the city. **Please note, we have included a separate attachment with just the penalties of perjury statement for the city to print, sign, and return to Ice Miller. Please have an authorized officer of the city sign and date the penalties of perjury statement for the submission and return to Ice Miller via email or U.S. mail.**

The IRS requires an original signature, and, therefore, DocuSign or other similar signature "stamps" are not permitted.

Please email the signed Form 2848 and penalties of perjury statement to Lindsay.Knowles@icemiller.com or mail them to:

(3) Form 5307 (Application for Determination for Adopters of Modified Nonstandardized Pre-Approved Plans)

We have drafted Form 5307, including required attachments, for the Plan with information that you recently provided us, as well as information from our files.

Please review and confirm the accuracy of the information in this form. In particular, line 16, on page 2 asks if the Plan has any issues pending with the IRS, Department of Labor, Pension Benefit Guaranty Corporation (PBGC), or any court (including bankruptcy court). ***We checked "No" for line 16. Please contact us immediately if this is not accurate.***

(4) GMEBS Opinion Letter, Basic Plan Document, and Adoption Agreement

The filing includes a copy of the most recent opinion letter issued to the GMEBS Defined Benefit Retirement Plan, a copy of the GMEBS Defined Benefit Retirement Basic Plan Document and a copy of the city's Adoption Agreement, effective October 7, 2024.

(5) Prior Determination Letter

We will include the Plan's prior determination letter.

(6) Addendum

We will include a written statement signed by GMA explaining that the city's Plan is not word-for-word identical to the GMEBS Defined Benefit Retirement Plan and describing the location, nature, and effect of each non-standard Plan provision, as well as a copy of the city's Addendum.

(7) Cover Letter

We will include a cover letter to the IRS that outlines our request and the documents enclosed with the submission.

Filing Process

Please contact me at ghall@gacities.com with any questions or concerns about the filing packet. Unless we hear from you otherwise, we will assume that when the city forwards a signed Form 2848 and penalties of perjury statement to Ice Miller, this means the city has reviewed and is comfortable with the other items in the filing packet. **Please complete this process within one (1) month of receiving this letter and the attached documents.**

Ice Miller will electronically file the determination letter submission for the city's Plan once the city has reviewed this draft filing and has forwarded the signed Form 2848 and penalties of perjury statement to Ice Miller. We anticipate the IRS will respond within 145 days after Ice Miller submits the filing.

If you have any questions about the IRS filing process, you may contact Ice Miller directly by emailing Lindsay Knowles at Lindsay.Knowles@icemiller.com.

Sincerely,

Gwin C. Hall
