From: Bill Grogan, Chief of Police
Agenda: March 7, 2022 - Mayor and Council
Agenda #: 22- 6402
Item: Additional lighting and camera(s) at Kaboom Playground.
CC: Eric Johnson

Recommendation

Approve funding for additional lighting and camera(s) at Kaboom Playground.

Background

Damaged equipment and fencing at Kaboom Playground (at Summerour Park) caused by park visitors necessitates the need for additional deterrent and apprehension measures. Studies have shown that pro-active communications with those who frequent the park, increased lighting, and greater surveillance helps prevent criminal behavior in areas where this type behavior occurs. Conversations with staff at Summerour Middle School, as well as the soccer league director, are ongoing in order to promote a collaborative effort of information sharing to include educating students, athletes, and their families on the importance of taking care of the facilities. Summerour Park has multiple surveillance cameras, however none are close enough to the playground to adequately capture the criminal behavior that has occurred, and ultimately the offenders. Lighting in the area is adequate, but as with cameras, the playground area needs more direct coverage to allow for greater nighttime surveillance and closer views. Therefore, additional lighting and cameras are needed nearer the playground. Firefly and Convergent are the City's contracted vendors of lighting/poles and surveillance cameras. Their recommendations are to add 2 light poles, 1 camera pole and a 4-lens camera at the playground and the specifics are detailed in the various attachments to this agenda item.

Scope of Work

Convergint Technologies proposes to provide, install, and program an expansion of the existing Genetec video surveillance system at the Summerour Park location for the City of Norcross.

It is expected for Norcross Power to provide and install the new pole, concrete base, mount the pole, provide and install lights, and provide the light power and 120VAC power for use by us for the camera and wireless transmitter.

Convergint will provide and install 1 multi-sensor camera and wireless transmitter on the pole after it has been installed. A wireless receiver will be installed on the nearby Concessions building. Norcross IT will need to provide an IP address for this new camera. It will connect using the existing wireless system to the base Norcross camera network. The camera will be recorded on the City's existing recording system.

Pricing includes:

- (1) new Genetec camera license
- Project Management
- Programming
- Startup and Testing
- 1yr warranty on equipment and labor

Notes:

- 120VAC power to be provided by others.
- Use existing Avigilon camera license.
- Pole is not included at this time.

See detail of equipment list below.

Clarifications and Exclusion

1. All work proposed herein, shall be performed during normal business hours Monday through Friday 8:00 am - 5:00 pm.
2. Permits or associated fees are not included.
3. Low voltage wiring shall be installed in open plenum. Plenum rated cable will be used.
4. Conduit, conduit sleeves, junction boxes and cored drilled holes are excluded from this scope of work unless specifically noted in the attached scope of work.
5. 120 VAC power outlets and hardwire connections (which may be required at multiple locations) are excluded from this scope of work unless otherwise noted.
6. Convergent will provide the initial configuration and programming of the video surveillance system to include: (camera titles, camera capture frame rates, camera recording resolutions, administrative accounts, camera motion detection zones, alarm inputs and network configuration to operate on the owner local area network. Additional programming (if any) will be completed by the owner.
7. If the video surveillance server and client viewing stations are to be attached to the owner local area network (LAN), the owner will need to furnish the proper TCP/IP address information as well as provide an Ethernet connection within 10 feet of each computer. Convergent will work with the owners IT staff to establish network connectivity and login to the owner's network.
8. Uninterruptible power supplies are highly recommended but not currently provided unless identified in the scope of work or included in the equipment list.
9. Virus protection software for the video recording server and client workstations are highly recommended but not currently provided unless identified in the scope of work or included in the equipment list.
10. Appropriate furniture, racks, cabinets or shelves to support the video recording equipment is excluded from this proposal unless indicated in the scope of work or in the equipment list; otherwise, the owner is responsible for supplying this equipment.
11. Video monitoring client workstations and licenses are excluded from this scope of work unless otherwise note in the scope of work or in the equipment list.
12. Current and future lighting requirements are the responsibility of the owner.
13. Pricing assumes that electronic Auto CAD files are available from customer for our use in creating submittal drawings.
14. Fifty percent (50%) of the proposed sell price shall be payable to Convergent Technologies for project mobilization. Mobilization shall be invoiced and due upon customer acceptance of this proposal.
15. Proposal includes applicable state and local taxes.
16. Anything in the Contract Documents notwithstanding, in no event shall either Contractor or Subcontractor be liable for special, indirect, incidental or consequential damages, including commercial loss, loss of use, or lost profits, even if either party has been advised of the possibility of such damages.
17. Convergent Technologies reserves the right to negotiate mutually acceptable contract terms and conditions with customer by making mutually agreeable changes to the formal contract included in the Bid Documents.
18. Terms and Conditions contained in the statewide contract #99999-SPD0000172-006 apply to this proposal.

Throughout this Installation Proposal, the term, "Convergent" refers to the Convergent Technologies affiliate operating in the state/province in which the work is being performed.

SECTION 1. THE WORK

This Installation Proposal takes precedence over and supersedes any and all prior proposals, correspondence, and oral agreements or representations relating to the work set forth in the attached scope of work ("Work"). This Installation Proposal commences on the Start Date as specified in the attached scope of work and represents the entire agreement between Convergent and Customer (the "Agreement"). In the event any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions of this Agreement shall remain in full force.

Convergent agrees in accordance with the mutually agreed project schedule:

- To submit shop drawings, product data, samples and similar submittals if required in performing the Work;
- To pay for all labor, materials, equipment, tools, supervision, programming, testing, startup and documentation required to perform the Work in accordance with the Agreement;
- Secure and pay for permits and governmental fees, licenses and inspections necessary for proper execution and completion of the Work, unless local regulations provide otherwise; and
- Hire subcontractors and order material to perform part of the Work, if necessary, while remaining responsible for the completion of the Work.

Customer agrees in accordance with the mutually agreed project schedule, and at no cost to Convergent:

- To promptly approve submittals provided by Convergent;
- To provide access to all areas of the facility which are necessary to complete the Work;
- To supply suitable electrical service as required by Convergent; and
- That in the event of any emergency or systems failure, reasonable safety precautions will be taken by Customer to protect life and property during the period of time from when Convergent is first notified of the emergency or failure and until such time that Convergent notifies the Customer that the systems are operational or that the emergency has cleared.

No monitoring services are included in the Work. Any such services shall be governed by a separate agreement.

Title to the Work, including any materials comprising the Work, shall pass to Customer as the Work is completed and the materials are incorporated into the Work at Customer's site. If materials are earlier stored on Customer's site pursuant to agreement between Customer and Convergent, title with respect to such materials shall pass to Customer upon delivery to Customer site.

SECTION 2. PRICING

Pricing and amounts proposed shall remain valid for 30 days unless otherwise specified. Price includes only the material listed based on Convergent's interpretation of plans and specifications unless noted otherwise. Additional equipment, unless negotiated prior to order placement, will be billed accordingly. Sales taxes, (and in Canada GST/PST) and any other taxes assessed on Customer shall be added to the price upon invoice to Customer.

SECTION 3. INVOICE REMITTANCE AND PAYMENT

If the Work is performed over more than a month, Convergent will invoice Customer each month for the Work performed during the previous month. Customer agrees to pay the amount due to Convergent as invoiced, within thirty (30) days of the date of such invoice. If the Work is completed in less than one month, Customer agrees to pay Convergent in full after the Work has been performed within thirty (30) days of the date of being invoiced. Invoices shall not include or be subject to a project retention percentage. If Customer is overdue in any payment to Convergent, Convergent shall be entitled to suspend the Work until paid, and charge Customer an interest rate of 1 and 1/2% percent per month, (or the maximum rate permitted by law, whichever is less), and may avail itself of any other legal or equitable remedy. Customer shall reimburse Convergent costs incurred in collecting any amounts that become overdue, including attorney fees, court costs and any other reasonable expenditure.

SECTION 4. WARRANTY

Convergent provides the following SOLE AND EXCLUSIVE warranty to the Customer:

For the period of one (1) year, commencing at the earlier of substantial completion of the Work, or first beneficial use, ("Warranty Period"):

- That Work performed under this Agreement will be of good quality;
- That all equipment will be new unless otherwise required or permitted by this Agreement;
- That the Work will be free from defects not inherent in the quality required or permitted; and
- That the Work will conform to the requirements of this Agreement.

The Customer's sole remedy for any breach of this warranty is that Convergent shall remove, replace and/or repair at its own expense any defective or improper Work, discovered within the Warranty Period, provided Convergent is notified in writing of any defect within the Warranty Period.

Any equipment or products installed by Convergent in the course of performing the Work hereunder shall only carry such warranty as is provided by the manufacturer thereof, which Convergent hereby assigns to Customer without recourse to Convergent. Upon request of Customer, Convergent will use commercially reasonable efforts to assist Customer in enforcing any such third-party warranties. This warranty excludes remedy for damage or defect caused by abuse, modifications not executed by Convergent, improper or insufficient maintenance, improper operation, or normal wear and tear under normal usage. NO FURTHER WARRANTIES OR GUARANTIES, EXPRESS OR IMPLIED, ARE MADE WITH RESPECT TO ANY GOODS OR SERVICES PROVIDED UNDER THIS AGREEMENT, AND ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED.

SECTION 5. CHANGES

Without invalidating this Agreement or any bond given hereunder, Customer or Convergent may request changes in the Work. Any changes to the Agreement shall be in writing signed by both Customer and Convergent. If Customer orders any additional work or causes any material interference with Convergent's performance of the Work, Convergent shall be entitled to an equitable adjustment in the time for performance and in the Agreement Price, including a reasonable allowance for overhead and profit.

SECTION 6. FORCE MAJEURE

Neither Customer nor Convergent shall be responsible or liable for, shall incur expense for, or be deemed to be in breach of this Agreement because of any delay in the performance of their respective obligations pursuant to this Agreement due solely to circumstances beyond their reasonable control ("Force Majeure") and without the fault or negligence of the party experiencing such delay. A Force Majeure event shall include, but not be limited to: accident, fire, storm, water, flooding, negligence, vandalism, power failure, installation of incompatible equipment, improper operating procedures, source current fluctuations or lighting. If performance by either party is delayed due to Force Majeure, the time for that performance shall be extended for a period of time reasonably necessary to overcome the effect of the delay. Any Services required by Convergent due to reasons set forth in this Force Majeure Section shall be charged to Customer in addition to any amounts due under this Agreement.

SECTION 7. INSURANCE

Convergent shall have the following insurance coverage during the term of this Agreement, and shall provide certificates of insurance to the Customer prior to beginning work hereunder:

Worker's Compensation	Statutory Limits
Employer's Liability	\$1,000,000 per occurrence / aggregate Commercial General
Liability	\$1,000,000 per occurrence/aggregate
\$2,000,000 general aggregate	
Automobile Liability	\$1,000,000 per occurrence/aggregate Excess/Umbrella
Liability	\$10,000,000 per occurrence/aggregate

All insurance policies carried by Convergent shall be primary to and noncontributory with the insurance afforded to Customer and shall name the Customer as "additional insured", with respect to liability arising out of work performed by Convergent, as applicable, but only to the extent of liabilities falling within the indemnity obligation of Convergent, pursuant to the terms of this Agreement. Convergent shall provide to the Customer no less than thirty (30) days' notice prior to the termination or cancellation of any such insurance policy.

SECTION 8. INDEMNIFICATION

Convergent shall indemnify and hold Customer harmless from and against claims, damages, losses and expenses attributable to bodily injury, sickness, disease or death, or to destruction of tangible property, but only to the extent caused by: a) the negligent or willful acts or omissions of Convergent or Convergent's employees or subcontractor while on Customer's site, or b) the malfunction of the equipment supplied by Convergent, or c) Convergent's breach of this Agreement.

IN NO EVENT SHALL EITHER CONVERGENT OR CUSTOMER BE LIABLE TO THE OTHER PARTY HERETO FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING COMMERCIAL LOSS, LOSS OF USE OR LOST PROFITS, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL CONVERGENT BE LIABLE TO CUSTOMER FOR ANY AMOUNTS IN EXCESS OF THE AMOUNTS PAID BY CUSTOMER TO CONVERGENT.

It is understood and agreed by the parties hereto that Convergent is or may be providing intrusion product which are designed to provide notification of certain events but are not intended to be guarantees or insurers against any acts for which they are supposed to monitor or inform. Convergent's indemnification obligation pursuant to Section 8 herein, does not apply to the extent the loss indemnified against is caused by an intrusion product or software provided by but not manufactured by Convergent. Convergent shall have no liability to Customer for any losses to the extent such losses are caused by the intrusion product or software. Customer shall indemnify, defend, and hold harmless Convergent, from and against all claims, lawsuits, damages, losses and expenses by persons not a party to this Agreement, but only to the extent caused by such intrusion product or software provided by but not manufactured by Convergent.

SECTION 9. COMPLIANCE WITH LAW, SAFETY, & HAZARDOUS MATERIALS

This Agreement shall be governed and construed in accordance with the laws of the state/province in which the Work is being performed. Convergent agrees to comply with all laws and regulations relating to or governing the provision of the Work. Convergent shall comply with all safety related laws and regulations and with the safety program of the Customer, provided such program is supplied to Convergent prior to beginning work.

In the event that Convergent discovers or suspects the presence of hazardous materials, or unsafe working conditions at Customer's facility where the Work is to be performed, Convergent is entitled to stop the Work at that facility if such hazardous materials, or unsafe working conditions were not provided by or caused by Convergent. Convergent in its sole discretion shall determine when it is "safe" to return to perform the Work at Customer's facility. Convergent shall have no responsibility for the discovery, presence, handling, removing or disposal of or exposure of persons to hazardous materials in any form at the Customer's facility. Customer shall indemnify and hold harmless Convergent from and against claims, damages, losses and expenses, including but not limited to, reasonable attorney's fees, arising out of or resulting from undisclosed hazardous materials, or unsafe working conditions at Customer's facility.

Customer acknowledges that applicable law or regulation may limit Customer's rights and impose obligations with respect to information or data obtained using software capable of obtaining what may in certain circumstances be characterized as biometric information (individually and collectively, the "Software") and agrees that Customer is solely responsible to ensure its own compliance with such laws or regulations. Customer shall completely indemnify, defend (including pay attorneys' fees and disbursements), and hold harmless Convergent, its affiliates, and any employees, agents, contractors or representatives of any of the foregoing from and against any and all losses, liability, damages, penalties, expenses, claims, demands, actions, or causes of action, judgments (finally awarded) or settlement (individually and collectively, "Liabilities") arising from or related to any intentional or negligent acts or omissions of Customer or any of its agents, affiliates, employees, or representatives arising from or related to the Software, any hardware, software, or other services associated with the Software, or the use of any of the foregoing by or on behalf of Customer, including but not limited to those arising from or related to Customer's failure to comply with applicable laws or regulations related to its use of the Software or any hardware, software, or other services associated with the Software, including but not limited to the Customer's failure to obtain any necessary consents from affected individuals or provide any necessary disclosures or protections with respect to the information of such individuals under any applicable privacy or data security law, but excluding matters for which Convergent has agreed to indemnify Customer from and against third party claims for copyright and trade secret infringement under the terms of the End User License Agreement for the Software between Convergent and Customer. Notwithstanding the foregoing, Customer and Convergent agree that Liabilities suffered by a third party (other than an affiliate of Convergent) which are an element of loss subject to indemnification under this paragraph shall be deemed direct damages.

SECTION 10. DISPUTES

In the event of any dispute between Convergent and Customer, Convergent and Customer shall first attempt to resolve the dispute in the field, but if that is not successful, then in a meeting between authorized officers of each company. If settlement attempts are not successful, then the dispute shall be decided exclusively by arbitration. Such arbitration shall be conducted in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association currently in effect and shall be a final binding resolution of the issues presented between the parties. The prevailing party shall be entitled to recover its reasonable attorneys' fees and costs.

SECTION 11. MISCELLANEOUS

Neither party to this Agreement shall assign this Agreement without the prior written consent of the other party hereto. Convergent may assign this Agreement to any of its parents, subsidiaries or affiliated companies or any entity majority owned by Convergent.

Notices shall be in writing and addressed to the other party, in accordance with the names and addresses of the parties as shown above. All notices shall be effective upon receipt by the party to whom the notice was sent.

A waiver of the terms hereunder by one party to the other party shall not be effective unless in writing and signed by a person with authority to commit the Customer or Convergent and delivered to the non-waiving party according to the notice provision herein. No waiver by Customer or Convergent shall operate as a continuous waiver, unless the written waiver specifically states that it is a continuous waiver of the terms stated in that waiver.

The Sections regarding invoicing, warranty, and indemnity, and disputes shall survive the termination of this Agreement.

Agenda Report

To: Mayor and Council
From: Bill Grogan, Chief of Police
Agenda: March 7, 2022 - Mayor and Council
Agenda #: 22-6403
Item: Surplus Vehicles Request
CC: Eric Johnson

Recommendation

Approve the surplus of ten (10) vehicles.

Background

The Norcross Police Department has seven (7) police patrol vehicles that are no longer in service. Due to the high cost of repairs and higher mileage, these vehicle are too costly to maintain. NPD has three (3) court-awarded vehicles that were either abandoned or seized under the civil forfeiture act.

Financial Impact

None

Consistent with Comprehensive Plan?

Yes, goals 2 and 6 specific to providing a safe environment and a high level of quality services for the city.

Next Steps

Council approval / vote.

Agenda Report

To: Mayor and Council
From: Mary Beth Bender
Agenda: March 7, 2022 - Mayor and Council
Agenda #: 22-6410
Item: Norcross Power Rates
CC: Eric Johnson

Recommendation: Eliminate the previously planned 2022 electric rate increases that had been suspended pending a rate study by Electric Cities of Georgia (ECG) and direct that future rate increases be considered as part of the City's annual budget process.

Background: In November 2019, the City Council authorized a series of annual 1.9% electric rate increases based on an analysis by ECG. In September 2021, the City Council delayed the previously approved January 1, 2022 rate increase, which had not been budgeted, in order to allow ECG to complete a rate study. That study has been completed and it shows that a rate increase in 2022 can be eliminated, despite the impact on future years' revenues.

During discussion in an ECG "Lunch 'n Learn" held for the Mayor and City Councilmembers, it was suggested that electric rates be considered during the City's annual budget process (where other revenue issues are discussed as well as upcoming funding needs).

Financial Impact: The impact of a proposed rate increase for 2022 was not formally adopted in the current FY22 budget so no amendment of the budget is required.

Consistent with Comprehensive Plan? Yes, it agrees with Goal 2 of the Comprehensive Plan; Continue to strengthen Norcross as a livable, inclusive, and Safe Environment. Quality of Life initiatives are impacted by utility rates. A rate study will ensure we are holding true to the sustainable and livable character of the City by justifying an increase or decrease in electric rates.

Next Steps: Rates for FY 23 will be discussed as part of the FY 23 budget process. Based on the recent ECG analysis, future rate increases are still anticipated as part of transitioning the City's rate structure to the impact of Vogtle Nuclear Units 3 and 4 coming online. The delay in those projects and their associated costs has facilitated current actions.

From: Bill Grogan, Chief of Police
Agenda: March 7, 2022 – **Mayor and Council**
Agenda #: 22- 6404
Item: **City-Wide Weather/Alert Siren System Replacement**
CC: Eric Johnson

Recommendation

Approve \$196,295.00 from Automated School Zone Speed Detection Program funds to replace the city's old Weather/Alert Siren System.

Background

Currently, there are ten (10) weather alert sirens across the city controlled by an old piece of manually-operated hardware attached to a dot matrix printer in our Police Dispatch. Most of the system's equipment is over 20 years old and unfortunately, system/equipment failures are becoming more and more frequent. In April 2021, a quote was obtained for budget purposes from our current vendor, Mobile Communications America, in the amount of \$76,375 to replace only the oldest parts/equipment. We budgeted \$100,000 this budget year to cover it. The quote did not include a full replacement of the system, only the portion known to be at or past end of life.

Unfortunately, we are incurring even more system problems and we are not confident a partial replacement will solve our ongoing failures. We created RFP# PD21-001 to obtain bids on a full system replacement of all ten (10) sirens and associated equipment that is controlled by modern software/hardware connected to the National Weather System and capable of automatic activation for certain major events and system tests.

Submitting vendors were given two options on which to bid: Option 1 (voice and tone sirens – 120VAC) or Option 2 (tone only – DC power). Five (5) bids were received. After a question and answer session with potential bidders we determined a voice and tone siren system, similar to our current system, is needed. Five vendors submitted bids ranging from \$196,295.00 to

\$332,068.53. The lowest responsive and responsible bidder was Acoustic Technology, Inc. (ATI Systems) with their bid amount of \$196,295.00.

Financial Impact

\$196,295.00 from Automated School Zone Speed Detection Program Funds.

Consistent with Comprehensive Plan?

Yes, goals 2 and 6 specific to providing a safe environment and a high level of quality services for the city. Replacement of the existing warning siren system will give us a modern, reliable, and expandable system that covers the entire boundaries of the City of Norcross with fully automated voice and tone-based alerting.

SPECIFICATIONS

PURPOSE: This RFP is for the purchase, replacement, and installation of ten (10) operational Outdoor Storm Warning Sirens. The attached specifications are being provided to potential proposers as guidelines which describe the minimum type and quality of the equipment that the City of Norcross Police Department, Georgia is seeking to purchase. The Proposer must submit documentation with the RFP listing any exceptions to the specifications. It will be assumed that the Proposer will fully comply with the minimum specifications if no exceptions are submitted. Failure to comply with this provision shall be cause for rejection of the proposal.

GENERAL: The objective of this RFP is to provide for the procurement of a complete siren warning system capable of providing the FEMA recommended alert level for outdoor warning throughout the City. All prospective Proposers will conduct an on-site survey of the City to determine the size and locations of the storm warning sirens necessary to provide the FEMA recommended alert level for the outdoor warning of the city. The sirens, once installed, will be capable of being remotely activated by radio from a standalone PC-based weather monitoring and activation system which requires no subscriptions, dues, annual or monthly contracts. Any omission in the specifications of any item essential to the delivery of a fully operational system does not alleviate the successful Proposer from furnishing such.

The successful Proposer will meet with a representative of the City of Norcross to discuss exact siren locations, underground lines, and electrical service to the siren poles, only.

The Storm Siren System will be controlled from the PC Based Weather Monitoring and Activation System to be included within this proposal. This system must be capable of receiving data streams from the National Weather Service via EMWIN satellite and backed up by High Speed Internet. System must be capable of broadcasting activation signals to the warning sirens automatically, without human intervention. The system should also have the ability to text message, e-mail, fax these warnings to appropriate personnel automatically, without human intervention and be adaptable for use with 3rd party components (i.e. Group to Call, Phone Tree etc.). All proposals will be 100% compatible with the current radio system or will include the necessary equipment and or labor to make the system 100% compatible, at the Proposer's expense.

Warranty for the proposed storm warning sirens (including all electronic parts), radios, batteries, and workmanship, will be clearly stated.

The time necessary to complete the project is of major importance to the City of Norcross. From date of order, each Proposer will specify the amount of time that it will take to complete 100% of the project.

Each Proposer will submit a minimum of three (3) references for similar systems installed in the last three years. Customer satisfaction reports will also be required.

DATE TO COMPLETION: The timely completion of this project is of utmost importance to the City of Norcross and will be a factor in the City's decision. Completion time from date of order will be clearly stated in each bid.

To maintain continuity and a fully-operational siren system, the equipment must be interchangeable and critical spare parts must be kept on hand at all times by the maintenance contractor. Price to include all electrical and component hookups, and run a fully-operational test for acceptance. All components must be attached to the siren pole.

SCOPE OF WORK

The City of Norcross Police Department, Norcross, Georgia seeks to purchase Ten (10) outdoor warning sirens and have those Ten (10) outdoor warnings sirens installed/replaced within the City of Norcross.

The selected vendor will install the sirens. The Sirens will be tested, and the public will be notified on the availability of the siren alerts within the communities.

There will be additional training on the system/features, policy review and drills to test the system and there will be a point of contact assigned to supervise the installation testing and subsequent drills for the warning sirens.

Current locations of City of Norcross siren sites (10):

SIREN #	LOCATIONS
1001	Thrasher Park/Buchanan St. @ North Peachtree St. (left corner park)
1002	North Norcross Tucker Rd. @ Buford Hwy. (Norcross Plaza Shopping Center)
1003	Pinnacle Way @ Pinnacle Point (across from bus station)
1004	Beaver Ruin Rd. @ Price Place (West Bound)
1005	North Peachtree St. @ Cochran Dr. (North bound church lot)
1006	Hunter St. @ George Town Park Dr. (tennis court)
1007	Mitchell Road @ Governors Ridge (sewer pond)
1008	5300 Spalding Dr. (Norcross High-student parking/last driveway)
1009	Center Way @ Goshen Springs Rd (behind QT)
1010	Western Hills Dr. @ North Norcross Tucker Rd. (hotel driveway)

The scope of work specifically to include by not to be limited to:

1. Contractor shall have all required permits and licenses except those issued by the City. Said permits shall be issued without cost or delay.
2. Contractor shall coordinate all work with the City and/or property owners to minimize activities, scheduled events, and general inconvenience.
3. Contractor to be responsible for calling in locations for underground utility, telephone, etc. identification.

All electrical installation (conduit, wire, fittings, etc.) will be completed in accordance with manufacturers' recommendations. Electrical power cables must run through a lockable breaker/disconnect box. A 120 VAC, 60 Hz power receptacle for maintenance tools to be supplied at each site.

All electrical wiring must be in 1 inch water tight flex or larger conduit depending on wire size, all conduits must be run along the pole and securely attached. All work must meet or exceed all applicable electrical codes for each applicator. All equipment must be grounded in accordance with applicable electrical codes, or meet and exceed the required manufacturer's recommendations.

Some or all sites will require service meters. It is the contractor's responsibility to determine which sites require meters and allow for the meter bases in the installation.

The successful Proposer will remove all dirt and other debris resulting from the installation of the storm siren system. All areas will be smoothed out, leveled and appropriate grass seed replanted.

Commissioning of the system by the contractor will be required prior to acceptance and payment.

REQUIREMENT

The City of Norcross requires a modern, reliable, and effective outdoor siren system to provide warnings and notification of severe weather and other community level emergencies.

The new system would not require a dedicated printer and instead, would perform the daily silent test on its own and email the report to whomever designated to receive it. The system will also have the capability to do an automated alert based on the weather patterns. It will automatically set off the alarms once a tornado is within our area which will eliminate the "human error factor" we have experienced in the past with the sirens setting off either too late or not at all.

I. GENERAL CONDITIONS

BIDDERS ARE ADVISED TO THOROUGHLY UNDERSTAND THE GENERAL CONDITIONS AND SPECIAL PROVISIONS, PRIOR TO SUBMITTING THEIR BID

A. Qualifications

1. Bids will be considered only from experienced and well-equipped Contractor(s) engaged in work of this type and magnitude.
2. Bidders may be required to submit evidence setting forth qualifications, which entitle his or her company for consideration as a responsible contractor. A list of work of similar character successfully completed within the last two years may be required giving the location, size and listing of equipment available for use on this work. Before accepting any bid, the City may require evidence of the Contractor's financial ability to successfully perform the work to be accomplished under the contract.

B. Guarantee to Accompany Bid

1. If the proposer's bid is greater than \$100,000.00, Bids must be accompanied by a certified check or cashier's check or acceptable bid bond in an amount not less than five percent (5%) of the amount bid per section, and failure to submit a bid bond will be cause for rejection.

C. Authority to Sign

1. The Bidder should insure that the legal proper name of his proprietorship, firm, partnership and/or corporation is printed or typed in the space provided on the Schedule of items.

D. Rights Reserved

1. City of Norcross reserves the right to reject any and all Bids, to waive informalities or to re-advertise. It is understood that all Bids are made subject to this agreement, that City of Norcross reserves the right to decide which Bid it deems lowest and best. In arriving at this decision, full consideration will be given to the reputation of the Bidder, their financial responsibility, and work of this type successfully completed and past performance with the City of Norcross.
2. Bidders are advised to examine Plans and Specifications carefully and to make examinations of the site of the proposed work as are necessary to familiarize themselves with location conditions, which may affect the proposed work. Bidders are also advised to inform themselves fully in regard to conditions under which the work will be performed. The City of Norcross will not be responsible for the Bidders errors or

- misjudgment, nor for any information on location conditions or general laws and regulations.
3. Any unauthorized additions, conditions, limitations, or provisions attached to the Bid shall render it informal, and may be cause for rejection.

E. Award of Contract

1. The contract will be awarded to the lowest responsive and responsible bidder whose bid will be most advantageous to the City, price and other factors considered. The City is to make the determination.
2. The bid evaluation will be made on the following criteria:
 - i. Bid price
 - ii. Compliance with specification
 - iii. Qualifications of personnel
 - iv. Commitment to complete work on a timely basis
 - v. References
3. Prior to award of the Contract, the successful bidder will be required to submit an installation schedule to the City, demonstrating the bidder's ability to commence and proceed in a timely manner. A bidder's failure to demonstrate the ability to proceed as required may result in the award to the next lowest, responsive and responsible bidder, as deemed in the City's best interest.
4. Failure to demonstrate the ability for contract execution and progression will result in, at the City's discretion, the award of any and/or all of the Bidder's contracts to the next lowest responsible bidder or the re-advertisement and re-bidding of any and/or all of these contracts.
5. Prior to execution of a Contract, if the contract amount is greater than \$30,000.00, a Contract Performance Bond and a Payment Bond, each equal to 100% of the Contract amount per section, must be provided by the successful bidder by a surety company qualified to do business in the State of Georgia with an AM Best rating of B+ or higher and satisfactory to the City of Norcross. Bonds given shall meet the requirements as listed in this Bid package.
6. Prior to execution of a Contract, a Utility Coordination Meeting is required between Contractor(s), utility agencies and City of Norcross Police Department to ensure clarity and commitments concerning inter-related installation work schedules.

F. Production Requirements

1. Time is of the utmost importance of this project. The successful bidder will be required to commence work within ten (10) calendar days from the receipt of the Notice to Proceed, and must carry on with utmost diligence in order to complete the work within 90 Days. Completion time from date of order will be clearly stated in each bid.

G. Progress Payments and Retainage

1. After work has commenced, progress payments shall be made least monthly, based on the value of work completed as provided in the contract documents plus the value of materials and equipment suitably stored, insured, and protected at the installation site, less retainage.
2. The City shall retain a maximum of 10 percent of each progress payment; provided, however, when 50 percent of the contract value including change orders and other additions to the contract value provided for by the contract documents is due and the manner of completion of the contract work and its progress are reasonably satisfactory to the City, the City shall withhold no more retainage. At the discretion of the City and with the approval of the Contractor, the retainage of each subcontractor may be released separately as the subcontractor completes his or her work.

H. Location and Site

1. The sites of the proposed work is:

SIREN #	LOCATIONS
1001	Thrasher Park/Buchanan St. @ North Peachtree St. (left corner park)
1002	North Norcross Tucker Rd. @ Buford Hwy. (Norcross Plaza Shopping Center)
1003	Pinnacle Way @ Pinnacle Point (across from bus station)
1004	Beaver Ruin Rd. @ Price Place (West Bound)

1009	Center Way @ Goshen Springs Rd (behind QT)
1010	Western Hills Dr. @ North Norcross Tucker Rd. (hotel driveway)

2. The Contractor shall accept the site in its present condition and carry out all work in accordance with the requirements of the specifications as indicated on the drawings or as directed by the Norcross Police Department.
3. The Contractor, before submitting a bid is required to visit the site, and acquaint himself with the actual conditions and the location of any and/or all obstructions that may exist on the site. The site visit must be confirmed by the Norcross Police Department.
4. The Contractor is responsible for the location of above and below ground utilities and structures, which may be affected by the work.
5. The Contractor shall coordinate with the utility provider directly.

I. Compliance with OSHA Standards and Regulations

1. The work connected with this Contract shall be performed in accordance with all applicable OSHA regulations and standards including any additions or revisions thereto, until the job is completed and accepted by the City of Norcross.

J. Non Collusion

1. Vendor(s), by submitting signed bid, certify that the accompanying bid is not the result of, or affected by, any unlawful act of collusion with any other person or company engaged in the same line of business or commerce, or any other fraudulent act punishable under Georgia or United States law.

K. Materials

1. Unless otherwise specified in the Contract Documents, Contractor shall provide and assume full responsibility for all services, materials, equipment, labor, transportation, installation equipment and machinery, tools, appliances, fuel, power, light, heat, telephone, water, sanitary facilities, temporary facilities, and all other facilities and incidentals necessary for the completion of the Work.
2. All materials and equipment incorporated into the Work shall be of good quality and new, except as otherwise provided in the Contract Documents. All special warranties and guarantees required by the Specifications shall expressly run to the benefit of Owner.

L. Inspection

City of Norcross does not commit to have a full time inspection or testing of work while in progress or at sources of materials furnished. Any lack of inspection and/or testing will in no way relieve the Contractor of his responsibility to provide quality workmanship in accordance with the specifications. Base placement and subgrade prep will be inspected by the City of Norcross, at the City's cost. Any test ordered under the supervision of the City that fail to meet standards and retesting is required will be at the Contractors expense.

M. Contract Requirements

1. Successful vendor is required to do the following within ten (10) days of Notice:
 - a) Return to Norcross Police Department contract documents executed by the authorized representative attested by the corporate secretary treasurer.
 - b) Provide Insurance Certificates as specified in the bid documents.
 - c) Provide bonding as required by the bid documents.
2. Failure to execute the Contract, Contract Performance Bond and Payment Bond, or furnish satisfactory proof of carriage of the insurance required within ten days after

the date of Notice of Award of the Contract may be just cause for the annulment of the award and for the forfeiture of the bid guaranty of City of Norcross, not as a penalty, but as liquidation of damages sustained. At the discretion of the City, the award may then be made to the next lowest, responsible bidder, or the work may be re-advertised or constructed by City forces. The Contract and Contract Bonds shall be executed in duplicate.

N. Miscellaneous Provisions

1. **Permits:** City permits, including Land Disturbance Permits, can be obtained through the City's Community Development Department at 770-448-2122. It is the responsibility of the contractor to obtain permits needed. There is no fee for permits for City projects. For design/build projects, it is the responsibility of the contractor to obtain necessary permitting from the fire marshal.
2. **Schedule:** The Contractor shall provide to Captain Beverly Parnell, a schedule of installation activities. The schedule must be presented at least seven (7) days prior to work commencing in order to notify residents and/or businesses.
3. **Work Hours:** No work shall take place on Sunday unless approved by the City of Norcross. The contractor shall submit to the City of Norcross a written request at least seven (7) days prior to the weekend work. See City Ordinance Sec. 26-22.
4. **Detour/Closures:** All road closures and detours shall be approved by the Norcross Department.
5. **Residential Refuse:** The Contractor is required to contact Norcross Public Works department at 678-421-2069, to obtain sanitation schedules in an attempt to reduce inconveniences to the citizens of Norcross.
6. **Disposal of Refuse:** The Contractor shall be solely responsible for disposing of materials and shall take into account, before bidding the compliance with the above stated ordinances and regulations. Disposal of debris must be done in a lawful manner, in accordance with all applicable federal, state and/or local laws, statutes, rules, ordinances, and/or regulations. All trash and debris shall be collected and removed from the site(s) on a daily basis. The Contractor will not be permitted to burn any of the materials on site or within the boundary limits of Norcross, Georgia.

RE: RFP PD21-001 – City Wide Weather/Emergency Alert System

Dear Ms. Grace,

Thank you for considering ATI as your mass notification equipment supplier for the city of Norcross. ATI manufactures the most reliable and highest quality emergency warning systems in our industry that require little maintenance. As a follow-up to our phone call, I wanted to cover some of the questions that arise during the installation process and over the lifetime of your mass notification system.

ATI will be performing a turnkey installation. We handle everything from start to finish, including complete training for your city officials once the system is installed and implemented.

Our warranty is standard for one year. I have attached our warranty statement.

ATI also offers a yearly preventative maintenance package. Please see attached for your review.

Our systems are very simple to troubleshoot and diagnose. Typically, the city's public works department or city electrician would lend a hand to replace any parts if needed. If we need to send our local technicians, they are available at \$140 an hour, which includes two men and a bucket truck.

Additionally, I am local and can visit to assist with any minor issues and provide additional training.

We are excited to partner with you in your exciting upcoming project, and please let us know if you need anything at all.

Sincerely,

Patrick Rossetti

Maintenance Options

Annual On-Site Preventative Maintenance and Emergency Support

In order to insure a high level of operation and readiness for the NORCROSS, GA Giant Voice Emergency Warning System, ATI can offer a comprehensive Preventative Maintenance Program. ATI has a trained staff of field service personnel who perform regular preventative maintenance for a large number of our systems.

Annual On-Site Preventative Maintenance

For this service, ATI would send a field service representative to perform the annually preventative maintenance that includes the following tests and inspections:

1. Train new operators and maintenance personnel, if needed.
2. Archive all data files in the ATI software.
3. Verify communication and adjust the Giant Voice Towers and the Control Station's receive and transmit RF radio levels.
4. Verify the power supply (solar or ac power) and battery charger voltages.
5. Load test all batteries.
6. Test each Giant Voice Tower locally.
7. Verify speaker head and amplifiers.
8. Check integrity of wiring connections.
9. Verify all statuses to confirm proper operation.
10. Confirm wattage output of the radio and check integrity of antennas and cables.
11. Inspect enclosures for signs of rust and inspect door gaskets.
12. Perform a silent test and activations (live broadcast, pre-recorded messages and tones) to verify operation of the system.
13. Report any issues or problems to the NORCROSS, GA representative.

Our annual preventative maintenance will not be limited to the above-named items. It may be tailored to accommodate NORCROSS, GA specific needs. This consists of site visits for a system specialist plus related travel and living expenses. Any high bucket truck maintenance to replace drivers on the speaker banks will be charged based on actual cost. The cost of spare parts to replace the failed equipment will be based on ATI's established spare parts list if it's not under warranty.

The cost of this service is \$6,050.00 plus Travel and Living Expenses \$2,300.00

On-Site Emergency Support

ATI will provide technical telephone support at no charge to NORCROSS, GA. If the problem cannot be solved over the phone ATI will provide a field service representative. **The daily charge is \$800.00/day** and travel and living expenses will be billed based on actual charges. The same will be applied on the rental fees for a bucket truck, if needed.

This maintenance contract can be renewed yearly, at least 30 days before expiration.

Agenda Report

To: Mayor and Council

From: Sonja R. Hampton, Interim Administrative Services Director

Agenda: March 7, 2022 - Mayor and Council

Item #: 22-6405

Item: Budget Amendment To Cover The Replacement of A Police Department Vehicle

CC: Eric Johnson

Recommendation

Approve to have the Police Department FY2021-2022 Budget increased in the amount of \$35,500 with a recommendation that the funds be pulled from Reimbursement for Damaged Property 100-383000.

Background

During preparation of the FY2021-2022 Budget, no budget was created for replacement vehicles. As a result of this unforeseen occurrence, Vehicles is showing an unfavorable status.

Financial Impact

Gallagher Bassett has already reimbursed the City for damages, in the amount of \$39,111.00. The purpose of the Budget Amendment is a formality for reporting. Without the budget amendment, the Police Department will appear to be over and out of line with accounting standards to have a balanced budget.

Consistent with Comprehensive Plan?

No specific tie-in or inconsistency was identified within the Community Work Program projects.

A motion to amend to the City Code of Ordinances, Article I of Chapter 4 entitled “Alcoholic Beverages,” by deleting Article I, sections 4-1 through 4-8 of Chapter 4, Article I, and section 4-45 of Chapter 4, Article II in their entirety, renumbering sections 4-46 through 4-56 as sections 4-45 through 4-55 in Chapter 4, Article II, and substituting new Sections 4-1 through 4-10 in Chapter 4, Article I, with the following enacting clause:

The Mayor and City Council of the City of Norcross, Georgia, hereby ordains that the adopted Code of Ordinances, is hereby amended as more particularly set forth below. It is the intention of the Mayor and City Council, and it is hereby ordained that the following provisions shall become and be made a part of the Code of the City of Norcross, and the Sections in the Code in the Ordinance be renumbered to accomplish that intention.

Agenda #: 22-6408
Item: **Alcoholic Beverages Ordinance**
CC: Eric Johnson

Recommendation: Proceed with the attached amendment to the City Code of Ordinances, Article 1 of Chapter 4 entitled "Alcoholic Beverages," to repeal conflicting ordinances.

Background: Special events within the city allow for the option of a temporary alcohol license to be issued to an approved vendor, following approval from Mayor and Council by way of resolution to the Norcross Code of Ordinances, Chapter 4, Sections 4-5 and 4-7. The amendment to the City Code of Ordinances approves the issuing of an alcohol permit for the sake of distilled spirits, beer, malt beverages, and/or wine on city property during special events. This will eliminate the multiple resolutions that are created each year.

Financial Impact: N/A

Consistent with Comprehensive Plan? Yes, this falls under Sustainability & Quality of Life. The City of Norcross takes pride in providing a high quality of life for its residents. Special events add to the social health, well-being and overall quality of life for our residents.

Attachments: Amendment to the city code of ordinances, article 1 of chapter 4 entitled "alcoholic beverages," to repeal conflicting ordinances; to provide for an effective date, and for other purposes as stated herein.

ORDINANCE NO. ____ -2022

**AN AMENDMENT TO THE CITY CODE OF ORDINANCES, ARTICLE I OF
CHAPTER 4 ENTITLED “ALCOHOLIC BEVERAGES,”
TO REPEAL CONFLICTING ORDINANCES; TO PROVIDE FOR AN EFFECTIVE
DATE, AND FOR OTHER PURPOSES AS STATED HEREIN:**

WHEREAS, the City Council finds that the adoption of a new and revised Alcoholic Beverages Ordinance is in the best interest of the City of Norcross to protect the health, safety, and welfare of its residents, visitors, and workers.

ENACTING CLAUSE. The Mayor and City Council of the City of Norcross, Georgia, hereby ordain that the adopted Code of Ordinances is hereby amended as more particularly set forth below. It is the intention of the Mayor and City Council, and it is hereby ordained that the following provisions shall become and be made a part of the Code of the City of Norcross, and the Sections in the Code in the Ordinance be numbered to accomplish that intention.

I. AMENDMENT.

Article I, entitled “In General” of Chapter 4 of the Code of Ordinances of the City of Norcross entitled “Alcoholic Beverages” is hereby amended as follows:

- A. By deleting Article I, sections 4-1 through 4-8 of Chapter 4, Article I, and section 4-45 of Chapter 4, Article II in their entirety, renumbering sections 4-46 through 4-56 as sections 4-45 through 4-55 in Chapter 4, Article II, and substituting new Sections 4-1 through 4-10 in Chapter 4, Article I, which sections read as follows:

“Chapter 4 ALCOHOLIC BEVERAGES

ARTICLE I. IN GENERAL

Sec. 4-1. Consumption in public places.

No person shall consume any alcoholic beverage while in or upon public streets, alleys, sidewalks, parking lots, or other public ways within the city except as specifically permitted in this Article.

Sec. 4-2. Open containers—Vehicles.

No person shall have in his/her possession an open container containing alcohol within or on a motor vehicle, including motorcycles, while parked or standing on a public street or public parking lot in the city, or while such vehicle is in motion.

Sec. 4-3. No Open Containers in Public or Outside Consumption of Alcoholic Beverages Except as Specifically Permitted in this Article.

- (a) No person shall be in possession of any glass, can or open container containing alcohol on any thoroughfare, street, sidewalk, alley, parking lots or any other public way within the city, except as specifically permitted in this Article.
- (b) It is prohibited for customers to leave the premises of any retail consumption dealer, wholesale dealer, or retail dealer or any other establishment engaged in the business of selling alcoholic beverages with any open alcoholic beverages, and it is the licensee's responsibility to ensure that no open beverages are sold and carried out, except as specifically permitted in this Article.
- (c) It is prohibited for customers to gather outside any retail consumption dealer, wholesale dealer, or retail dealer or any other establishment engaged in the business of selling alcoholic beverages and consume alcoholic beverages except as specifically permitted in this Article.
- (d) It is prohibited for the manager or any employee of any retail consumption dealer, wholesale dealer, or retail dealer or any other establishment engaged in the business of selling alcoholic beverages to allow persons to gather outside said establishment and consume alcoholic beverages except as specifically permitted in this Article.

Sec. 4-4. Consumption, possession of alcoholic beverages on city property.

No person shall consume or have in his/her possession any alcoholic beverage on property owned by the city which shall include, but is not limited to, city streets, city sidewalks, municipal buildings, recreational areas, and municipal parks; provided however,

- (a) This section shall not apply to the inside consumption of alcoholic beverages within city-owned buildings including the community center, the welcome center, the city arts center/rectory, the kudzu, and the train depot buildings as permitted by the City Manager or his/her designee;
- (b) This section shall not apply to the outside consumption of alcoholic beverages in Discovery Garden Park as permitted in section 4-5.
- (c) This section shall not apply to the outside consumption of alcoholic beverages within the Downtown Dining District as permitted in section 4-6.
- (d) This section shall not apply to the outside consumption of alcoholic beverages during Special Events authorized by a Special Event License under section 4-7.

Sec. 4-5 Exceptions --- Discovery Garden Park.

- (a) The provisions of sections 4-1, 4-3, and 4-4 shall not apply to the outside consumption of alcoholic beverages by the public in Discovery Garden Park on weekdays between the

hours of 5:00 p.m. to 10:00 p.m., Saturdays from 1:00 p.m. to 10:00 p.m. and Sundays from 2:00 p.m. to 8:00 p.m., and the following provisions shall control:

- (1) All alcoholic beverages must be consumed from a paper or plastic cup, or other container other than a can, bottle, or glass. No person shall consume more than one such alcoholic beverage at a time.
 - (2) Size limited to 16 fluid ounces. No person shall hold in his/her possession any open alcoholic beverage container which exceeds 16 fluid ounces in size.
 - (3) Drinking from can, bottle, or glass prohibited. It shall be unlawful for any person to drink or attempt to drink any alcoholic beverage from a can, bottle, or glass or to possess in an open can, bottle, or glass any alcoholic beverage at any time.
 - (4) No retail sales of alcoholic beverages shall be permitted within Discovery Garden Park unless specifically authorized by a Special Event License under section 4-7.
- (b) These hours may be further restricted for specific events where the public consumption of alcoholic beverages is not deemed appropriate by the City Manager or his/her designee. Notices shall be posted at Discovery Garden Park during the events for which the consumption of alcoholic beverages is not permitted.

Sec. 4-6. Exceptions—Downtown Dining District—Outside Consumption of Alcoholic Beverages Permitted.

- (a) The Mayor and Council may, by resolution, designate a downtown dining district as a specifically authorized and pedestrian oriented area of the city that applies to all establishments holding a valid license for retail consumption of alcoholic beverages on the premises within such area to dispense and/or serve an alcoholic beverage for carry out purposes, provided all other laws, rules and ordinances are followed.
- (b) Within the downtown dining district, the provisions of sections 4-1, 4-3, and 4-4 shall not apply and the following provisions shall control:
 - (1) One drink on-street limit. Any establishment licensed to dispense alcoholic beverages by the drink for consumption on the premises is authorized to dispense an alcoholic beverage in a paper or plastic cup, or other container other than a can, bottle, or glass, for removal from the premises; provided, however, that no establishment shall dispense to any person more than one such alcoholic beverage at a time for removal from the premises, and no person shall remove at one time more than one such alcoholic beverage from the licensed premises.
 - (2) Size limited to 16 fluid ounces. No container in which an alcoholic beverage is dispensed and removed from the licensed premises shall exceed 16 fluid ounces in size. No person shall hold in his/her possession on the streets and sidewalks, in parks and squares, or in other public places within the defined area any open alcoholic beverage container which exceeds 16 fluid ounces in size.

- (3) Drinking from can, bottle, or glass prohibited. It shall be unlawful for any person to drink or attempt to drink any alcoholic beverage from a can, bottle, or glass or to possess in an open can, bottle, or glass any alcoholic beverage on the streets, sidewalks, rights-of-way, and parking lots, whether public or private.
- (c) No alcoholic beverage purchased pursuant to this provision may be consumed outside of the downtown dining district, or upon any private property, without the express consent of the private property owners.
- (d) No alcoholic beverage purchased within the downtown dining district pursuant to this provision shall be consumed within the downtown dining district on the streets, sidewalks, rights-of-way, and/or parking lots, whether public or private, prior to 12:00 p.m. or later than 12:00 a.m. or during such other times and at such other locations as specifically authorized by a Special Event License under section 4-7.
- (e) The City Manager or his/her designee and/or the Chief of Police may immediately suspend the outside consumption of alcoholic beverages for if either or both of them has determined that continued outside consumption of alcoholic beverages may endanger the health, welfare, or safety of the public. Such outdoor consumption of alcoholic beverages shall not resume until the City Manager or his/her designee and the Chief of Police has determined that the danger to the public has passed.

Sec. 4-7. Exceptions — Licensed Special Events.

- (a) The City Council has determined that the provisions of sections 4-1, 4-3, and 4-4 shall not apply during special events held on city property (city streets, city sidewalks, municipal buildings, city leaseholds, recreational areas, and municipal parks and/or on city streets closed to motor vehicle traffic for the duration of the special event) at such locations and at such times as specifically designated and as approved by the City Manager or his/her designee (a “Special Event”).
- (b) A special event license for a Special Event (hereinafter a “Special Event License”) may be issued by the City Manager or his/her designee for a Special Event for the sale and outside consumption of alcoholic beverages for the duration of the event at such places and during such times that are specifically designated and approved by the City Manager or his/her designee.
- (c) ***Special Events within the Downtown Dining District.*** The outside consumption of alcoholic beverages shall be permitted for Special Events held within the Downtown Dining District subject to the limitations on the outside consumption of alcoholic beverages set forth in section 4-6 for the duration of the Special Event. In addition, the City Manager or his/her designee may also permit the sale and consumption of alcoholic beverages during the Special Event for:
 - (1) Sidewalk Sales as set forth in section 4-8; and/or
 - (2) Mobile Alcohol Concessions sales as set forth in section 4-9.

- (d) ***Special Events outside the Downtown Dining District.*** The outside consumption of alcoholic beverages may be permitted for Special Events held on City Property (city parks, sidewalks, buildings or on City Streets closed to motor vehicle traffic) held outside of the Downtown Dining District, provided that:
- (1) All alcoholic beverages must be consumed from a paper or plastic cup, or other container other than a can, bottle, or glass. No person shall consume more than one such alcoholic beverage at a time.
 - (2) Size limited to 16 fluid ounces. No person shall hold in his/her possession any open alcoholic beverage container which exceeds 16 fluid ounces in size.
 - (3) Drinking from can, bottle, or glass prohibited. It shall be unlawful for any person to drink or attempt to drink any alcoholic beverage from a can, bottle, or glass or to possess in an open can, bottle, or glass any alcoholic beverage at any time.
 - (4) In addition, the City Manager or his/her designee may also permit the sale and consumption of alcoholic beverages during the Special Event for Mobile Alcohol Concessions sales as set forth in section 4-9.
 - (5) Sidewalk Sales as set forth in section 4-8 are not permitted outside the Downtown Dining District,
- (e) The person applying for the Special Event License shall pay the fees as adopted by city council in the schedule of fees and kept on file in the City Clerk's office.
- (f) The Special Event Licensee shall be required to comply with all general ordinances and the licensing and regulations for a consumption on the premises establishment with the exception of the full-service kitchen requirement.
- (g) As a condition on the issuance of the Special Event License, the Special Event Licensee shall indemnify and hold the city, its employees, and elected officials harmless from claims, demand or cause of action which may arise from activities associated with the special event.
- (h) As a condition of the issuance of the Special Event License, the Special Event Licensee may be required to obtain comprehensive general liability insurance coverage and such other insurance coverage with such limits as the City Manager or his/her designee deems reasonable and appropriate for the duration of the Special Event. All such insurance shall name the city, its employees, and elected officials as additional insureds. If insurance is required, the Special Event Licensee shall produce a certificate of insurance from an insurance carrier acceptable to the city prior to the issuance of the Special Event License.
- (i) The Special Event shall meet the following criteria prior to the issuance of a license to sell alcoholic beverages:
- (1) The Special Event must have the prior approval of the Chief of Police on crowd control, traffic control measures and security measures.

- (2) The location at which the Special Event is to take place shall be located within the Downtown Dining District or on City Property (city parks, sidewalks, buildings or on City Streets closed to motor vehicle traffic), and shall be approved by the City Manager or his/her designee and the location must be properly zoned and approved by the Community Development Director.
- (3) If the Special Event takes place within the Downtown Dining District, the rules for the outside consumption of alcoholic beverages within the Downtown Dining District set forth in Section 4-6 (b) shall apply for the duration of the Special Event. If the Special Event takes place outside of the Downtown Dining District, the rules for the outside consumption of alcoholic beverages set forth in Section 4-7 (d) shall apply for the duration of the Special Event.
- (j) The City Manager or his/her designee may immediately revoke any Special Event License, outdoor sales permit and/or mobile alcohol concessions license if he or the Chief of Police has determined that continued alcohol sales may endanger the health, welfare, or safety of the public.
- (k) Nothing contained herein shall be construed to create a vested right for any person to be issued a Special Event License.

Sec. 4-8. Exceptions for permits issued for sidewalk sales of alcoholic beverages during a designated Special Event in the Downtown Dining District.

- (a) During a Special Event held within the Downtown Dining District where one or more city streets are closed for the duration of the event, and the City Manager or his/her designee has issued a Special Event License pursuant to section 4-7, said License may also provide that any establishment licensed to dispense alcoholic beverages by the drink for consumption on the premises may apply to the city for a permit (hereinafter a "temporary outdoor sales permit") to set up a temporary booth, stand, kiosk or tent for the sale of alcoholic beverages (a "temporary bar") on city sidewalks, city leaseholds or other city property immediately adjacent to said establishment for the duration of the Special Event, subject to the limitations on the outside consumption of alcoholic beverages set forth in section 4-6 and further subject to the following conditions:
 - (1) Said temporary bar shall be located on the sidewalk immediately adjacent to or in front of said establishment; or
 - (2) Said temporary bar shall be located on a public or private parking lot immediately adjacent to said establishment; provided however;
 - (3) No temporary bar may be permitted on any public street or in any designated parking area on any public street unless the streets are closed for the duration of the Special Event;

- (4) The location, size, and configuration of said temporary bar shall be approved by the City Manager or his/her designee and must be properly zoned and approved by the Community Development Director.
- (b) The establishment applying for the temporary outdoor sales permit shall pay the fees as adopted by city council in the schedule of fees and kept on file in the City Clerk's office.
- (c) The temporary outdoor sales permittee shall be required to comply with all general ordinances and the licensing and regulations for a consumption on the premises establishment.
- (d) All employees of the temporary outdoor sales permittee working the establishment's temporary bar dispensing, selling, serving, taking orders, or mixing alcoholic beverages shall be required to have a pouring permit.
- (e) As a condition on the issuance of the temporary outdoor sales permit, the permittee shall indemnify and hold the city, its employees, and elected officials harmless from claims, demand or cause of action which may arise from activities associated with the Special Event and/or the operation of the temporary bar.
- (f) As a condition of the issuance of the temporary outdoor sales permit, the establishment holding the temporary outdoor sales permit shall be required to obtain comprehensive general liability insurance coverage and such other insurance coverage with such limits as the City Manager or his/her designee deems reasonable and appropriate for duration of the Special Event. All such insurance shall name the city, its employees, and elected officials as additional insureds. The establishment holding the temporary outdoor sales permit shall produce a certificate of insurance from an insurance carrier acceptable to the city prior to the issuance of the Special Event License.
- (g) The temporary outdoor sales permittee shall obtain written approval from Chief of Police for crowd control, pedestrian traffic control and security measures.
- (h) The City Manager or his/her designee may immediately revoke any or all temporary outdoor sales permits issued for an event if he or the Chief of Police has determined that continued alcohol sales may endanger the health, welfare, or safety of the public.
- (i) All of the licensee's temporary booth, stand, kiosk, tables, tents and other property and equipment shall be removed from the sidewalk by 8 a.m. of the day after the expiration of the temporary outdoor sales permit.
- (j) Nothing contained herein shall be construed to create a vested right for any establishment to be issued a temporary outdoor sales permit.
- (k) Temporary bars are not permitted on city sidewalks, city leaseholds or other city property outside of the Downtown Dining District at any time.

Sec. 4-9. Exceptions—Mobile Alcohol Concessions Sales during a designated Special Event.

- (a) During a Special Event, whether held inside or outside of the Downtown Dining District, the City Manager or his/her designee may issue one or more a temporary mobile alcohol concessions licenses for mobile alcohol concessions for mobile concession trucks and trailers for the sale of distilled spirits, beer, malt beverages and/or wine on city property or on city streets closed for the duration of the Special Event (Hereinafter a "Temporary Mobile Alcohol Concessions License") to one or more persons, subject to the limitations on the outside consumption of alcoholic beverages set forth in section 4-7 (d) for the duration of the Special Event, and further subject to the following conditions:
 - (1) The location and duration of the mobile alcohol concessions must have the prior approval of the Chief of Police on crowd control, traffic control measures and security measures; and
 - (2) The location and duration of the mobile alcohol concessions must be approved by the City Manager or his/her designee and the location must be properly zoned and approved by the Community Development Director.
- (b) Mobile alcohol concessions are not permitted to sell food or other products and shall not be issued a food truck permit. Food trucks are not permitted to sell any alcoholic beverages.
- (c) The person applying for the Temporary Mobile Alcohol Concessions License shall pay the fees as adopted by city council in the schedule of fees and kept on file in the City Clerk's office.
- (d) The Temporary Mobile Alcohol Concessions Licensee shall be required to comply with all general ordinances and the licensing and regulations for a consumption on the premises establishment with the exception of the full-service kitchen requirement.
- (e) All employees or volunteers of the Temporary Mobile Alcohol Concessions Licensee, working in any position dispensing, selling, serving, taking orders, or mixing alcoholic beverages, shall be required to obtain a pouring permit for the Special Event; provided however, that the City Manager or his/her designee may, in his/her discretion, specify in said Temporary Mobile Alcohol Concessions License that up to ten (10) employees or volunteers of the Temporary Mobile Concessions licensee shall be permitted to dispense, sell, serve, taking orders, or mix alcoholic beverages on the condition that they are continuously under the supervision of one or more persons that have obtained a pouring permit for the duration of the Special Event.

- (f) The City Manager or his/her designee may immediately revoke any Temporary Mobile Alcohol Concessions License if he or the Chief of Police has determined that continued alcohol sales may endanger the health, welfare, or safety of the public.
- (g) As a condition on the issuance of the Temporary Mobile Alcohol Concessions License, the licensee shall indemnify and hold the city, its employees, and elected officials harmless from claims, demand or cause of action which may arise from activities associated with the Special Event and/or the operation of the mobile alcohol concession.
- (h) As a condition of the issuance of the Temporary Mobile Alcohol Concessions License, the Licensee shall be required to obtain comprehensive general liability insurance coverage and such other insurance coverage with such limits as the City Manager or his/her designee deems reasonable and appropriate for duration of the Special Event. All such insurance shall name the city, its employees, and elected officials as additional insureds. The Licensee shall produce a certificate of insurance from an insurance carrier acceptable to the city prior to the issuance of the Special Event License,
- (i) Nothing contained herein shall be construed to create a vested right for any establishment to be issued a Temporary Mobile Alcohol Concessions License.
- (j) The Temporary Mobile Alcohol Concessions Licensee shall obtain written approval from Chief of Police for crowd control, pedestrian traffic control and security measures.
- (k) The City Manager or his/her designee may immediately revoke any or all Temporary Mobile Alcohol Concessions Licenses issued for an event if it is determined that continued alcohol sales may endanger the health, welfare, or safety of the public.
- (l) All of the Licensee's mobile trucks, trailers and other property and equipment shall be removed by 8 a.m. of the day after the expiration of the Temporary Mobile Alcohol Concessions License.
- (m) Nothing contained herein shall be construed to create a vested right for any person to be issued a Temporary Mobile Alcohol Concessions License.

Sec. 4-10. Revocation of Special event Licenses and Permits by City Council.

The mayor and City Council of the City of Norcross retain the right to revoke any license or permit issued by the City Manager or his/her designee pursuant to this Article at any time up to thirty (30) days prior to the start of such scheduled Special Event for any reason. Licenses and permits issued pursuant to this Article grant only a privilege to the licensee/permittee and shall not create any vested right or a property interest in the licensee/permittee.”

II. SEVERABILITY.

In the event that any section, subsection, sentence, clause, or phrase of this Ordinance shall be declared or adjudged invalid or unconstitutional, such adjunction shall in manner affect the other sections, sentences, clauses, or phrases of this Ordinance, which shall remain in full force and effect, as if the section, subsection, sentence, clause, or phrase so declared or adjudged invalid or unconstitutional were not originally part thereof.

III. REPEALER.

All ordinances and parts of ordinances in conflict with this Ordinance are hereby repealed.

IV. EFFECTIVE DATE.

This Ordinance shall become effective immediately and shall remain in effect until revised or repealed by further action the Mayor and Council of the City of Norcross.

IN WITNESS WHEREOF, I have hereunto set my hand and cause this seal to be affixed this ____ day of _____, 2022.

Agenda Report

To: Mayor and Council

From: Tracy Rye, AICP
Community Development & Planning Director

Meeting Date: March 7, 2022 - Mayor and Council

Item No.: 22-6406

Title: Community Work Program Report of Accomplishments/Modified Community Work Program

CC: Eric Johnson

Recommendation

Staff recommend that Mayor & Council adopt this mid planning cycle report of accomplishments for items found in the City's current Community Work Program and also adopt the resulting modified Community Work Program.

Background

During the last several months, Department Heads have been reviewing the 102 items in the 2019 Community Work Program. Department Heads then reviewed the vast majority of those items, up to and through Item SQ. 31, with Mayor and Council at the Visioning Session conducted on Thursday, January 27, 2022. Staff are presenting the rest of their item recommendations at this time from Item SQ. 32 through Item SQ. 57.

Items determined to be Complete, No Longer Valid, or more or less "on-going" policy items are to be removed from the Community Work Program. Items determined to be Incomplete or partially complete and "on-going" will remain in the modified Community Work Program. Some items have been renamed or re-phrased based on the status of the project and other items have been combined into umbrella items that are part of a larger project or objective (such as housing related items).

Financial Impact

There is no direct financial impact to completing this assessment, though some listed projects have had their costs updated based on newer project information related to known project costs.

An updated Community Work Program can also be a valuable tool to pursue State and Federal dollars for program implementation.

Consistent with Comprehensive Plan?

Keeping up with these items in the Comprehensive Plan is a basic tenant of showing that Norcross keeps the goals and policies of the plan in the forefront, especially when making financial and other policy decisions. This exercise specifically related to Goal 6: *Further the City's tradition of strong leadership and high level of quality service*, and Policy 6-16: *"Regularly evaluate the Comprehensive Plan on an annual basis and use it as a tool in prioritizing the budget and annual work program."*

Next Steps

Per conversations with both the Atlanta Regional Commission and Georgia Department of Community Affairs, the City is free to adopt the attached documents and make a cursory notification to both entities for record keeping purposes and to formally transmit both documents when transmitting the next Norcross Comprehensive Plan in February 2024.

Agenda Report

To: Mayor and Council

From: Mary Beth Bender, Assistant City Manager, Director of PWUP

Agenda: **March 7, 2022 - Mayor and Council**

Agenda #: 22-6409

Item: **Electric Infrastructure Cost Recovery**

CC: Eric Johnson

Recommendation

Authorize recovery of electric infrastructure costs associated with new development.

Background

Norcross Power installs infrastructure to include transformers, conduit, pedestals, primary & secondary cable along with installation free of charge in new developments. The cost of that infrastructure is recovered through electric rates. After consulting nearby municipal electric utilities (Lawrenceville, Buford and Monroe), staff learned they are currently using a form of infrastructure cost recovery.

How would it work?

The developer will submit a plan to Norcross Power. An associated cost will be calculated and provided to the developer for review. Costs must be paid before infrastructure is to be installed.

Financial Impact

Recovering the cost of electric infrastructure from new developments allows those funds to be used for additional contracted maintenance of the City's electric infrastructure (e.g., tree trimming, wood pole testing, transformer inspection, detailed mapping) and/or to reduce the cost for electric service to existing customers.

On a selective basis, the cost of electric infrastructure could be waived on economic development projects where there is an anticipated payback to the Electric Fund from increased electricity sales within a reasonably short period – providing a tool for the City's economic development "tool kit."

Consistent with Comprehensive Plan?

This action is consistent with the City's Comprehensive plan. This is in agreement with Goal 2 of the Comprehensive Plan; Continue to strengthen Norcross as a livable, inclusive, and Safe Environment. By recovering infrastructure costs, Norcross Power will be able to invest more in maintenance needs and/or rely on lower rates, both of which are beneficial to our community.

Next Steps

Following Council authorization, the Community Development & Planning Department will alert Norcross Power when prospective developers have submitted applications for new construction. Developers must then submit lot details for electric infrastructure pricing.

Motion
 A motion to approve/deny the adopted goals and objectives for the city manager that will be incorporated into the annual evaluation process.

Agenda Report

To: Mayor and Council
From: Eric Johnson, City Manager
Agenda: March 7, 2022 - Mayor and Council
Agenda #: 22-6412
Item: Adoption of 2022 City Manager Goals and Objectives

Recommendation: Adopt goals and objectives for the city manager that will be incorporated into the annual evaluation process.

Background: As discussed at the Visioning meeting held January 27th, the City Council (Mayor and City Councilmembers) provided a draft set of goals and objectives for the city manager to review and make suggestions. The purpose of the goals and objectives is to provide guidance to the city manager, as reflected in his employment agreement, for consideration in his annual evaluation. Moreover, the goals and objectives provide guidance on City Council priorities for the remainder of the evaluation period that the city manager can focus appropriate resources to complete. As reflected in the attached list, some objectives require resources beyond those currently available, and the first step will be consideration of those resource requirements during the upcoming budget process.

Each objective has a tentative due date. The due dates are spread out over the remaining months to allow the city manager, along with staff who may be responsible for elements of an objective, to balance those deadlines against other planned ongoing activities and responsibilities. Some dates are more critical in that they tie into other processes.

Should critical new objectives be identified, there may be subsequent changes – e.g., substitutions -- to ensure that city council priorities are met.

Financial Impact: None.

Consistent with Comprehensive Plan? Yes. Some, such as the update to the Community Work Program, are directly related to achieving elements of the Comprehensive Plan, while other are less directly related.

Next Steps: Not Applicable

Agenda Report

To: Mayor and Council
From: Eric Johnson, City Manager
Agenda: March 7, 2022 - Mayor and Council
Item #: 22-6411
Item: Reclassification of Existing Position

Recommendation

Approve reclassification of a budgeted direct report to the City Manager to Assistant to the City Manager.

Background

As discussed during the budget process, a vacant position formerly titled Special Projects Manager will be reclassified to Assistant to the City Manager. The Assistant to the City Manager classification was included in the Compensation Salary Study and Survey conducted by Evergreen Solutions, resulting in a paygrade of 106, which is comparable to an Executive Assistant.

The new classification is comparable to one found in other cities and creates a potential for succession to senior management positions.

While reclassification of existing, budget positions is typically under the purview of an appointed city or county manager, there has been disagreement over the interpretation of the City Charter in relation to reclassifications. In order to move forward without delay, this request is being made with the expectation that the authority of the city manager to authorize future reclassifications will be resolved. Of note, this same position was reclassified by the former city manager.

Financial Impact

None. This position was budgeted.

PERFORMANCE EVALUATION OF THE CITY MANAGER

PURPOSE

To establish and maintain effective City Council and City Manager relations, the Council must establish an ongoing evaluation process that offers an opportunity for each party to review the performance of the Manager. This evaluation should focus on how effectively the Manager is accomplishing the goals established by the Council and how they carry out their responsibilities in key performance areas.

Specifically, the evaluation should serve the following needs:

- (1) Allow the City Manager and the City Council to test, identify, and refine their respective roles, relationships, and expectations of responsibilities to each other.
- (2) Allow discussion of the City Manager's strengths and weaknesses as demonstrated by past performance to increase the Manager's effectiveness; that is, allow the Council to provide positive feedback in areas that have been handled well and to clarify areas where the Manager could become more effective through improved performance.

PROCESS

- (1) Four weeks before the evaluation is scheduled, the Human Resources Manager will provide the Mayor each Councilmember with a copy of the evaluation form.
- (2) Each Councilmember and the Mayor meet with the City Manager individually to review the evaluation form, sign it and return one copy to the Human Resources Manager to be distributed to the Mayor and Council, within one week.
- (3) The Human Resources Manager tabulates the results of the evaluation forms.
- (4) The tabulated evaluation is distributed by the Human Resources Manager to the Mayor and Council before the executive session.
- (5) The Mayor and Council meet in executive session to review the evaluation.
- (6) A copy of the tabulated evaluation is provided by the Mayor to the City Manager before the executive session evaluation meeting.
- (7) The Mayor and Council meet with the City Manager in executive session to jointly review the evaluation.
- (8) The evaluation process shall begin following the approval of the September budget. Before the October meeting, all individual reviews must be drafted, and meetings with the City Manager completed. Mayor and Council will review and finalize the evaluation at the October policy work session in the executive session. Mayor and Council may require an additional evaluation at any time during the year.

- (9) Mayor and Council will begin drafting Goals and Objectives in November at the Regular Council meeting for review during Policy Work Session.
- (10) Mayor and Council will approve goals and objectives at the December Regular Council meeting.

PERFORMANCE EVALUATION OF THE CITY MANAGER

Evaluation Instructions & Checklist

This form should be used by each member of the city council to evaluate the city manager's performance in fulfilling each of the roles which he plays in city government. The city manager is graded 1-5, with the following scale : **Weak – Strong and (1) = No (5) = Yes**

A space has been provided for each performance area to include your comments. Each council member preparing the form is encouraged to select specific examples of why a particular rating has been chosen. The comments included should give the city manager enough information to correct problem areas and allow him to place specific items on his work plan for the following year.

Each member of the council should sign the form and forward it to *Human Resources* who will be responsible for compiling the comments. The forms and accompanying summary should then be presented to the city manager for his permanent file.

Agenda Report

To: Mayor and Council

From: Eric Johnson, City Manager

Agenda: March 7, 2022 – Mayor and Council

Agenda #: 22- 6414

Item: Suspension of City Contribution to Post Retirement Healthcare for New Hires

CC: Eric Johnson

Recommendation: Approve eliminating a City contribution to post retirement health insurance for new hires who receive a job offer on or after March 8, 2022.

Background: As discussed at the February 17, 2022 Mayor and Council Retreat, this action would be part of a multi-pronged approach to both limiting the City's exposure to "Other Post Retirement Benefits (OPEB)" liability and to funding a portion of that liability. There is no impact on current retirees or on current employees who may become eligible in the future for subsidy of retiree health insurance.

Financial Impact: There is no short-term savings from this action, but the impact on the City's calculated liability will grow as the number of future retirees qualified to receive subsidized health insurance is constrained.

Consistent with Comprehensive Plan? Yes. There is no relationship to any Community Work Program project.

Next Steps: This benefit will be removed from information shared with prospective employees. Discussion of creating an irrevocable trust and funding it will be addressed in the next Policy Work Session.
