Agenda Report

To: Norcross Public Arts Commission (NPAC)
From: Michael MacManus, Board Member
Date: February 25, 2025 – Regular NPAC Meeting
Item #: 25-7251
Title: **Norcross Forever Stamp Program**

Recommendation:

Create a consistent program of creating art on the Norcross Power Boxes throughout the city using an image of a Stamp. Each stamp would commemorate or identify with the location. In addition, each stamp would include the words "Norcross Forever" similar to the "USA Forever" stamps. Plus, there would be a short few words to identify the picture. With different stamps throughout Norcross, we would create a great community interest by encouraging visitors and residents to go "Stamp Collecting."

Background:

NPAC is looking at the 12 different zones on how to impact the individual areas with art that is meaningful to the area but consistent with the overall Master Plan. This may work but should be investigated further.

Financial Impact:

At first glance, the cost could be minimal. We need to investigate options on how to apply the art – pain, sticker, cover, etc.

Consistent with Master Arts & Cultural Plan?

Yes. The program would touch all zones of Norcross with art designed for that particular area. It encourages residents and visitors to visit parts of the city previously unknown and learn about the history and heritage of the areas. It creates a sense of pride in the City of Norcross with the Norcross Forever theme.

Next Steps:

Need to meet with Norcross Power to gain their cooperation with the concept. Need to look at costs to apply the art. Need to look at power box locations and suggestions on individual themes. Need to get City approval.
